## Biography

In [1178](#), actors of the [Seidhe Llygad Amphitheater](#) rehearsed intensely because Roger, alongside his favorite Countess de Stay'cherr, was to attend. The première, however, ultimately didn't happen.<sup>[2]</sup>

The duke drunk wine in huge amounts, leading to a period during which he was constantly tipsy. In this state, he ordered outposts like [Ussar Castle](#) and [Mont Crane Castle](#) to be built as a defence against the "[Mount Gorgon](#) highlanders". The fact that no such folk threatened his subjects didn't bother him at all.<sup>[1]</sup>

# Appearance and personality

Evident by his sobriquet, Duke Roger was a man who thoroughly enjoyed his [Est Est](#) and [Sangreal](#). So much, in fact, that the tales of his drunken shenanigans entered the duchy's folklore. Monogamy wasn't to the duke's taste, either, as he had a public romance with Countess de Stay'cherr.<sup>[1]</sup>

## Footnotes

- <sup>1</sup> <sup>↑</sup> <sup>1.0</sup> <sup>1.1</sup> The succession through female line in the [13th century Toussaint](#) is established by *The Lady of the Lake*. Moreover, the *Blood and Wine* expansion reveals the father of Duchess Caroberta – [Ademarta](#)'s husband – was a [Nilfgaardian](#) princeling. Given the chronology, this leaves room only for Roger to be Caroberta's husband, as Caroberta is mentioned to be the ruling duchess [in the year 1189](#).
